MEAT FEAST

long kiss, and the next thing I knew Kath had her tongue in my mouth. I kissed her back passionately, surprising myself.

When we finally separated, Darren was looking on with a disbelieving look on his face and a distinct bulge in his pants.

He came over and hugged us both tightly, wishing us a happy New Year. We weren't fooled – the sly bastard was trying to muscle in on us for some fun.

Darren soon had us back at his pad snuggled up on the sofa. I started snogging Kat again, and she ran her hand over my breasts and slid it between my legs.

The feel of her hand rubbing against my bush and clit drove me mad with lust. I put my hand up her top and felt her erect nipples, pinching them gently.

Then Kat lifted my top and undid my bra. She kissed my tits all over before taking one of my nipples in her mouth.

I threw my head back in ecstasy, only to see Darren approaching me, trouserless and sporting a big hard cock. He came by the side of me and offered me his knob.

I turned my head to one side and took his dick deep into my throat. Kat had undressed and was now frantically yanking down my skirt and knickers.

When she had I got on all fours on the sofa. Kat licked and fingered my pussy from behind while I licked Darren's cock and balls.

I desperately wanted to lick Kathy's cunt, so she got on the floor on her back. I lapped at her cunt and tasted her juices, nibbling her lips and jabbing at her clit with my tongue.

Then I felt Darren feed his cock up my slippery twat. He started fucking me like crazy, really caning me. I can picture the scene now – dirty and delicious.

We fucked all night till Kat and me had spunk oozing out of every hole.

GEYSER BIRD

I would love to share a sexual experience that happened to me. My name is Kelly, I'm 23 years old with a 36E bust and very sensitive nipples.

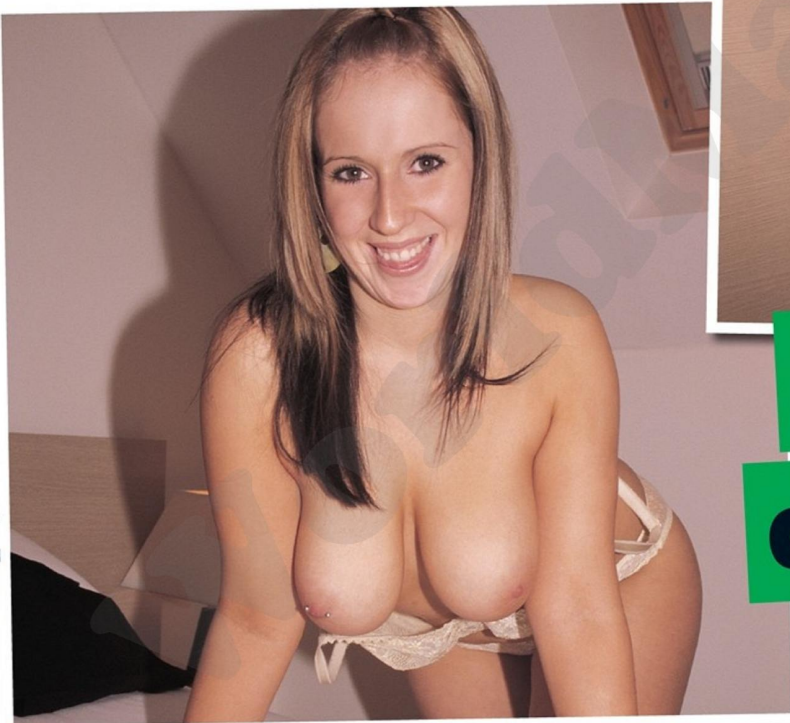

My friend Sarah was round for the evening and the subject of conversation came round to sex. I explained how my boyfriend had discovered how to make me 'gush'.

This was something no one had ever done to me before, making me ejaculate when I cum. My boyfriend and I both find it a real turn-on.

Sarah, who is a very pretty 20-year-old, loves all types of sex. We sat on my bed and I got out my private photo album. Sarah stopped at the photo of me showing my pierced nipple.

She asked me how it felt. With that I lifted my T-shirt and let my boobs go on show. "Go on, have a feel," I told her. She slowly raised her hand to my breasts.

I felt her soft hands caress my nipples.

She moved her head close, opened her mouth and sucked heavily on my nipple. I moaned under my breath from sheer delight.

I reached down and slid my hand up her smooth thighs. Sarah parted her legs, allowing me access to her shaven haven. She was very wet and her thong was soaked.

I entered her wet cunt with one, two, then three fingers. My thumb found her

erect clit, sending her wild. She licked and sucked my nipples harder and I could sense she was on her

way to a massive climax.

I fingered her hard with three digits while I flicked her clit with my thumb. She started moaning softly and I knew she was about to blow.

Suddenly she shuddered and released my nipple to let out a scream of delight as she orgasmed, soaking my fingers in her sweet love juices.

Once we had both calmed down I told Sarah to lie on the bed. I removed her top and for the first time ever we kissed with passion. Her tongue forced its way into my mouth – it was delightful.

so slowly apply pressure to my anus with her finger.

Gradually I felt her finger enter my bum. She forced it in all the way to the knuckle before slowly starting to pump it in and out. This encouraged me to thrash the dildo faster.

I built up speed and knew I would soon be gushing. I shouted at Sarah to open her mouth. Suddenly I hit the right stroke and my juices began squirting past the dildo and into her open mouth.

**"My pussy
cum drenched
her face"**

I reached over, got my dildo out of the drawer and straddled Sarah's face. Very slowly, I inserted the tip of the dildo into my soaking pussy.

Then I slid it inside myself until I'd swallowed the whole thing. Then I began pumping it in and out of my pussy right in front of Sarah's face.

Sarah's hands grabbed my arse. Her fingers massaged my buttocks and stroked my arsehole. Then I felt her ever

When I gush, so much juice comes out it is like I'm weeing. As Sarah opened her mouth hungrily, a cascade of pussy cum drenched her face and filled her mouth.

I pulled out my dildo and sat on Sarah's open mouth. She sucked as much juice out of my cunt as she could. We carried on with each other all evening.

I even fucked her with my strap-on. What a dirty bitch!

READERS' LIVES

AD A BLAST

I was reading the adult section in my local paper when something caught my eye. It was an advert for a female escort.

I was at a loose end, so I decided to phone the 'good looking guy' who was looking for a 25 to 35-year-old woman 'for a good time'.

His name was Jim and he described himself as a 38-year-old with a muscular build and a nine-inch dick. That was enough for me – we arranged to meet the following Friday.

When the day came I took a long time to get ready. I had a long soak in the bath and shaved my pussy bare. I couldn't resist giving myself a rub.

I started pushing two fingers inside myself, then three and four. I groaned as I came to a climax, my pussy contracting round my fingers. I couldn't wait to meet Jim.

**"I told him
I wanted it
up the arse"**

I wore a short leather skirt, pink top, ankle strap stilettos and wide fishnet tights. I didn't bother with knickers, letting my piercings hang through the stockings.

We had agreed to meet at a local restaurant, and when I arrived Jim was already there. He came over, kissed me on the cheek and showed me to our table.

I casually mentioned that I didn't have any knickers on and my pussy was getting wet. His mouth dropped open and he put his hand on my leg. I spread them wider apart.

His hand went between my legs and he began to stroke my pussy. I was feeling very horny, so when his fingers were in the right place I pushed myself onto him.

His fingers slid inside me. He looked at me and I smiled, inviting him to finger me.

His hand was only moving slightly so that nobody could tell what we were up to.

It felt incredibly good and my juices started to flow. We had to stop when the waiter

came with the food, but before we started I licked Jim's fingers clean.

As we left the restaurant the waiter winked at me and said, "Nice pussy!" He'd obviously seen what had happened and that turned me on even more.

We got a taxi back to Jim's house and as soon as we were inside the front door we ripped each other's clothes off. Jim kissed my tits and worked his way down my body.

My legs opened and he started to lick and suck on my clit. My body started to tremble as another orgasm hit me. As I came Jim sucked hard on my clit ring.

This always sends me over the top and my juices started running down my legs. Jim drank some of it up and said it tasted beautiful.

I squatted down in front of him and got

his tool in my mouth. I had been aching to suck him off all night. I sucked hard and long, his cock squelching in my mouth.

Then he took me to his bedroom, laid me on the bed and tied me to the headboard with the straps on my stilettos.

He started to tease me by putting his cock into my hungry pussy and then my mouth. He did this for about five minutes until I was begging for the fucking I needed.

Jim eased his cock inside me and my juices ran so much that on each inward stroke a splash of pussy juice sloshed out of me.

After a while Jim said he was going to cum. I told him I wanted it up the arse, so he undid my hands and turned me over.

His cock slipped easily into my arse. He fucked me for a short time before his cream began to mingle with mine as he shot deep into my arse.

He fucked me up the arse again before I left the following morning. I think I'll be checking the adverts again if this is what I can get up to!

GYM FIXED IT

I work in a leisure centre as a gym instructor. Not only does this allow me to keep my body fit and trim, it also gives me a chance to meet a lot of people. For meet, read fuck.

As you can probably tell, I'm a fuck fanatic, too, so I always have one eye out for the fit blokes in the gym and in my classes. Last month when I was taking a circuit training class a tall bloke with blonde hair caught my eye.

He very was fit and had tight lycra shorts on. I kept looking at the big bulge in his crotch and wondering what he'd be like in bed.

He was eyeing me up all through the session, looking at my arse when I was doing squat thrusts and staring at my pert tits. I only had a sports bra on top and my nipples stood out.

After the session I suggested everyone have a long drink to re-hydrate. I said there was a bar upstairs and winked at

the blonde guy. He winked back and I knew I was in.

As I showered I thought about fucking him. That got me really turned on and made my pussy moist. I couldn't resist rubbing myself up.

I slid a finger down my glistening body and slipped it between my wet lips. I found my clit and teased it slowly, sending ripples of pleasure through my body.

Sure enough he was up in the bar. After a short chat I suggested I take him home and put him through his paces properly.

When we got to mine I took him straight upstairs and told him to get undressed while I got ready. I went into

the bathroom, stripped butt naked and grabbed my dildo.

I went into the bedroom, sat him in a chair and got onto the bed. I got on all fours with my arse in the air. I began rubbing the dildo up and down from my arsehole to my clit.

Slowly I pushed it inside my pussy. He was slowly wanking his large, thick cock as I started to fuck myself with the dildo.

As I worked it in and out of my wet cunt

with one hand, I brought the other down to stroke my clit. His cock was rock hard and I wanted to feel it up me.

He knelt down behind me and licked around the dildo as it entered my cunt. Then he stood up, removed it and stuck his cock in instead.

I continued to frantically rub my clit as he hammered his cock deep inside me, making me cum with a screwed up face after only thirty seconds or so.

When he was about to cum I turned round and took his cock deep in my throat, draining his balls of spunk.

SPREAD LOVE

Last summer my boyfriend Darren and I went on a sex-filled break to Cyprus. The weather was hot, which always makes me horny.

On the last night we went to a cocktail bar with the intention of getting as far through the list as possible. However, as always, I got hooked on the screaming orgasms!

Also in the bar that night were a team of

Mike came up behind me and started caressing my breasts. He then slipped a hand into my top and stroked my already erect nipples. Nikko, meanwhile, had knelt beside me.

He was slowly kissing the outside of my thigh while gently massaging his hand along the inside. I could feel my pussy getting very wet as it throbbed with desire.

I had never had three men paying me

rubbed my hand over his cock I found it was rock hard.

The next moment

then stripped off all of their clothes.

They all had erect penises and looked very inviting. Pulling my soaking black G-string aside, Mike slipped his rearing cock into me.

Within seconds I could feel the first waves of orgasm coming over me. "Harder!" I cried as he rammed it deeper and deeper. I grabbed Darren's cock and began wanking him in hard, rhythmical strokes.

He was so turned on watching me being screwed by another man that it took all his will power not to cum straight away. Not wanting to miss out, Nikko thrust his well-tanned cock into my hot mouth.

I sucked him hard – I was in total ecstasy and I think the lads were too. Mike began speeding up and then I felt him squirt hot cream into my pussy.

I came at the same time and our bodies locked together as one. As I looked up I saw that the rest of the football team had followed us down there and were watching everything.

I had never had an audience before. I was so turned on by this that when Mike pulled out I ordered Nikko to fuck me. Naturally, he was only too happy to oblige.

He took me doggy-style as I sucked Darren off. It wasn't long before I was cumming again. He fucked me hard and deep, nibbling at the side of my neck as he did so.

Suddenly I felt Nikko's warm treasure shooting deep into my already flooded cunt. The rest of the lads cheered as Nikko withdrew his cock. It was dripping with our cum.

Darren was now close to cumming so I stopped sucking him and pushed him into the sand. I then mounted him and rode his huge penis as he fondled my breasts.

We came together, flooding each other with our juices. I then rolled off him and began kissing his hot flesh, working my way back down to his cock.

I licked and sucked his cock, tasting his warm cum and my delicious juices. Within seconds he was becoming hard again. The audience began chanting, "Encore, encore!"

This time Darren rolled over on top of me and thrust himself back into my honey pot. I arched my back against the sand and came again. Darren pulled out of me and shot his load all over my tits. He then licked every drop off me.

Darren and I finally got back to our hotel, totally fucked but totally satisfied, at 5am.

amateur footballers. There were sixteen of them in all, very muscular and very sexy. As the evening drew on I began to feel the effect of all the alcohol.

Two of the footballers, Mike and Nikko, came over to where Darren and I were sitting and began to flirt with me. I was worried that Darren would start a fight with them.

To my pleasant surprise, though, he appeared to be enjoying himself. When I

their undivided attention all at once. It was something I could definitely get used to!

It was Darren who suggested that we took the short walk to the deserted beach. So a couple of minutes later we left the bar. I had Darren on one arm, Nikko on the other and Mike behind me, feeling my arse.

When we got to the beach Darren pulled off my short silver dress and laid me gently on the cool sand. The three men

SLUT MACHINE

One evening my girlfriend Pamela and I were out clubbing when we bumped into two of my mates, Chris and Allan.

They were out on the pull, looking for a couple of women up for a good fuck. They slinked off, and returned half an hour later with a couple of likely birds.

As closing time approached, I was dying to get home because I knew Pamela had shaved her cunt for me and I was desperate to get my chops around it.

I decided to invite my mates and their lady friends back to our house for some more drinks. But the girls were working

the next morning so they declined.

So us three blokes and

Pamela piled into a cab. I noticed Pamela couldn't keep her eyes off Allan's bulging crotch. I knew what the horny bitch was thinking.

Back at the house I left Pamela sitting between Chris and Allan as I went to get the drinks. By the time I returned, the horny slut had already unleashed Allan's big cock.

She was sucking it like a lollipop. Her lovely arse was facing Chris, who reached up her mini-skirt and tugged at her flimsy knickers.

In no time at all he had stripped her naked. Then she turned to Chris and started sucking his cock. Andy wasted no

time getting in behind her.

He parted her legs and pushed his cock inside her dripping wet cunt. She let out a scream of pleasure as his cock rammed in and out of her.

I decided to get in, telling Pam to lie down on the floor. Chris swapped with Andy and shoved his cock up Pam while I stuck my dick in her mouth.

She immediately began sucking and licking and then, with one hand, reached out and began wanking Allan off furiously.

It wasn't long before Chris was firing his spunk up her hot pussy and as she moaned in pleasure I felt even hornier. I couldn't hold back any longer and released my cream into her mouth.

She lapped up every drop. Then Andy, feeling a little left out, muscled in and put Pam in the doggy-style position. He squeezed his cock up her tight arsehole.

She was moaning like a good 'un and as Andy rode her arse Chris began sucking on her big tits. A few moments later Andy shot his load all over Pamela's arse.

Chris then shoved his fingers up her cunt and played with her tits until she was pouring pussy juice over his sweaty palm.

As Pamela recovered, me and the boys had a few drinks. I knew she wanted more, and sure enough she

"She was going like a rocking horse"

soon came over to ask Andy and Chris if they'd fuck her.

Would they ever! She had one cock up her cunt and one up her arse and she was going like a fucking rocking horse, loving every minute of it.

I stood in front of her wanking like mad, and when the boys had cum, I spunked all over her face.

I lost count of the number of times we fucked her that night, but it didn't finish until 7am. When Pam finally went to bed, she thanked me for the best fucking session ever.

Mark, Scotland.

CLUB REPORT

SOUTH LONDON SWINGERS AT FUNTIME

Saucy sex scribe ZJK joins a South London institution as it travels to the East End and finds it's still the perfect place for newcomers.

Those who know me may sometimes feel obliged to describe me as geographically challenged – the chicken who got lost crossing the road as someone once said. But it doesn't take that much of an effort to accept the fact that while a club's called South London Swingers, its events take place in more than one location and the night of my visit involved a trip to East, rather than South London. The venue, Funtime Swingers, situated in Hackney, is one I've visited and thoroughly enjoyed before, so I was happy to venture back north of the river despite the freezing dampness of the weather.

South London Swingers run a range of parties, some themed, some not, with single men admitted on Friday nights and some Saturdays (check before booking). They previously held their events in a large private house in Penge, scene of many a good time, and now they are more mobile they've retained their cheerful, friendly laid-back vibe. This is a good event for newcomers, as you get a lovely warm welcome and the parties are

generally small enough for it to be easy to make new friends, but not so small that you feel as if everyone else knows each other and has no room to get to know you.

The website points out that there is, of course, no guarantee you will get a shag but if you are polite and appealing, you will stand more of a chance of erotic encounters than if you are rude, pushy, smelly or desperate – ain't that always the way?

It's a bring-your-own-booze type of do, but there's always a pretty decent buffet laid on if you don't know about you but something about being around lots of sexy people and either jumping around or doing the horizontal

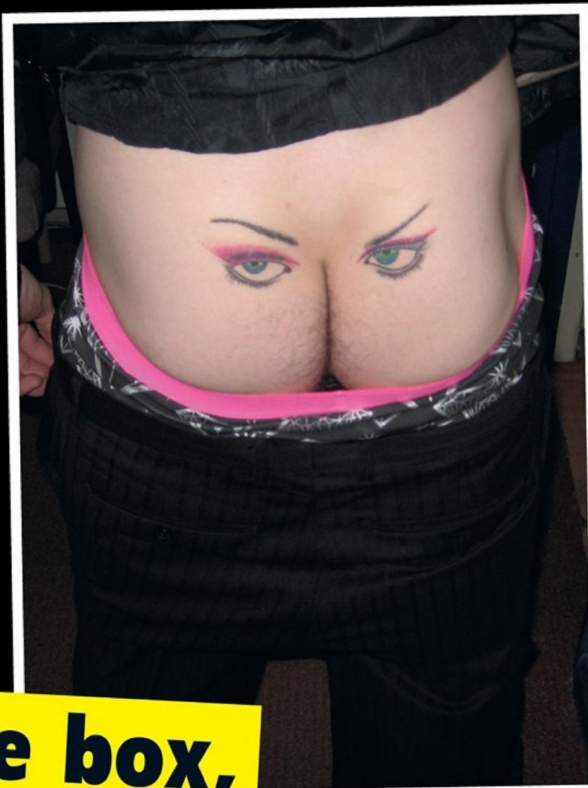

"A grope box, dentist's chair and 14ft mattress"

bop always tends to make me peckish.

Smokers are catered for as well, with designated heated covered space and no going out into the sub zero temperatures to huddle in your unflattering coat when you need your nicotine fix.

At the Funtime venue, there's a small chat and chill area downstairs, with a bar counter where hot and cold soft drinks are available, plus a fridge to store your own booze stash in. There's a pool table in the room next door, and though I haven't seen anyone actually have a bonk on it, playing pool seems to involve plenty of opportunities to persuade folks to get their kit off – losers often have to strip and dance round the table.

Upstairs there are assorted play areas, a dungeon-style room with a fab dentists' chair, a grope box, a 14-foot

For events at Funtime (which include a mix of swingers' nights, greedy girl parties and other entertainments, check out www.funtimeswingers.com)

mattress for group scenes and plenty more.

As is often the case with the purpose-built clubs, there is an ongoing process of expansion and refurbishment, with a possible outdoor (but screened in) area planned for the summer. Everything's clean, and there's a shower so, no matter how exciting your exertions, you can be the same all night.

On this visit I arrive a little later than I meant to (curse you, fecking trains which fall over and die at the sight of

popping into several playrooms that were thoroughly occupied, people tend to look up mid-hump with a welcoming smile rather than squawking paranoia.

Back downstairs again, I meet some entertaining people, and we have a chat

swingers tend to be over 25 or so, but that's got a lot to do with it taking most people a certain amount of time to work out who they are and what they want sex-wise – nearly all of us will have spent our early sexually-active

about tattoos, and body image in general. So far, in my wide-ranging and lengthy exploration of the swinging scene, you see, there's a particular style of club I have tended to steer clear of – the ones that make a big deal out of all the membership being young and thin. This is not just because I am not particularly either, but it's got

years fumbling around with normal heteromonogamy and only gradually realising that if it doesn't suit us, the fault doesn't lie with us and there are different ways of doing things. Though it does appear that the prevalence of the internet giving more people more access to more information may be speeding this process up.

Serious conversation doesn't last for long though, this is a night for fun, and so fun is what we proceed to have. Bottoms bounce, nipples are nibbled, and there are big smiles on lots of faces –

For information on when and where parties are being held by South London Swingers see www.southlondonswingers.co.uk

a single snowflake) but it means the party is well under way, with considerable amounts of happy humping going on in all the playrooms. As an example of the overall good-humoured friendliness of SLS nights, despite the fact that my quick walk-round tour involves

more to do with the fact that the best of the swinging scene encompasses a celebratory attitude to the human body rather than a bitchily negative one that would prohibit anyone but a sleb from ever getting a shag.

It's true enough in the main that

except, perhaps, that of the chap who arrived even later than me, so late that he barely had time to take his coat off. Friday night SLS parties end promptly at 1am with a start time of 8pm, so it's advisable to plan accordingly and set out early! Better luck next time!

PARLOUR GAMES!

Home is where the hard-on is, as George McCoy visits his nearest and dearest in the Potteries...

I had been planning to check out the scene in Lancashire for this article, but what with all the snow and a nasty cold, I decided that if I was going to have to make a trip anywhere I would visit Stoke-on-Trent.

It's the city nearest to me and one which boasts a reasonable level of adult services now that the parlour scene in this city, which had a lot of closures last year, is back on the up and up.

I decided that I would make my first call on **Tammy's** in Burslem and the lady who runs it, Melanie, is a very attractive lady, and bears an uncanny resemblance to Sarah Dunant, the author and radio and TV personality. Also like Dunant, she is a feisty lady with her own opinions and had been very favourably reviewed during her career as a working lady. However, unfortunately, she was just too busy to see me when I called.

I had rather more luck at my next call on **Caress**, which I needed to visit just to check they were still open, their phone

number having been down when I rang them the day before.

It turns out Crystal the boss has been in a bit of a dispute with her telecoms supplier, but the parlour, which is basic to say the least, can still be contacted on a mobile and in Crystal, they have a regular character, probably the most distinctive Potteries parlour personality.

I now popped next door to **Academy**. The boss was not around, but the parlour is looking good and I had a pleasant chat with Jessica, who also works at Brooklyn's in Crewe under the name Louise.

With that I left Burslem and headed over to Stoke and the **D & G Health Spa**.

This parlour, the latest one to open in the city is particularly distinguished by its cellar, where they boast the best parlour dungeon that I have come across for some time.

The last time I had called it was not yet completely ready, but it has been for some time now and is as well-appointed as many I have come across in other cities. Their current star turn Louise was not yet then around, but it was suggested I return later and enjoy a session with her, which I told them I would.

I next popped over the road to see Julie at the Exclusive, the new name for the former Emma's. She has really transformed this parlour – I hardly recognised it and apparently she is planning on expanding into the first floor, which was not even accessible in the Emma's days.

While there I had been rung by Becky who runs a discreet escort agency in the town called **Starlite UK**.

We had agreed to meet up this day and I knew where to go, so having told her I would see her there at one o'clock, I duly got to her base, a terraced house in the Birches Head area of the city at one.

I was let in by one of her colleagues, who often mans the phone for her and after a short while Becky turned up. We had a very productive chat and I was promised a session with one of their top ladies, a half-Portuguese black lady called Gabrielle, who also entertains at

staff. I took some photos there of a slim beauty called Stacey, before I headed back to D & G. There I enjoyed a delightful session with Louise, who it turned out had worked at Sarah's in Burslem when that was open, which takes one back a bit.

It was now back to Burslem to see Mistress Angelica, whom I had last seen when she was working at Mistress Keket's dungeon in Middlewich, before it hastily had to close, with Mistress Keket moving elsewhere in Cheshire. Mistress

Abigail's, the recently reopened parlour in Longton. I plan on returning and checking out Gabrielle sooner rather than later.

I now headed back to Stoke and called in on the city's most recommended parlour, the **Head Office**. This parlour has been open since 2006 and is so busy that unlike all the other parlours in the city it does not even bother to advertise in the local paper, the Sentinel, which unlike papers in many of the country's cities has not done the government's bidding by cut-

ting out advertising for adult services.

I then popped a couple of doors away to **Diva's**. I had had a long chat with the boss there the previous day, who had been having a rare old time with the local authority who wanted to curb the hours she was open for. In other regards though she was having few problems and they have some cracking

This mistress has clearly come on since her days as Mistress Keket's handmaiden.

This left just three parlours to visit and I now popped in to see Julie again, now at her other parlour, **Tingles**, where I took some photos of Sally, a petite veteran, who is still only in her twenties! Tingles is the longest continually open parlour in the city and when I first visited it, I cannot say I was really impressed, but Julie has extended the premises into the

nette, who has already made quite an impression on visitors to the parlour.

However I had several other calls to make and so I suggested I call back the following day to sample Tiffany's skills, after we had concluded our business. Gloria, who was going to be around then, happily agreed to my suggestion and I duly enjoyed the session the following day.

The following day I also visited **Jojo**, a very attractive young lady who bears more than a passing resemblance to Michelle Pfeiffer.

It turned out she had once modelled for a photo session with Paul Rivers and lo and behold she turned out to be the same lady who has featured on the front of my Birmingham street plan.

We had a very productive chat and then I went over to **Unit 10**, a long standing parlour, who have just had a new website done and which is located just the other side of the D road from Stoke.

Sheila the

boss was her usual friendly self and we had a chat about recent goings on in the Potteries, and there was plenty to talk about.

My last calls in the Potteries were on the people behind two of the area's escort agencies. I first visited the man behind the area's latest escort agency, **Office Girls**. I got to his house without any trouble and we had a very amiable chat about the local scene.

He was finding things rather up and down at present and the ladies who were using his escort agency, while including some top performers, were as unreliable as the ladies in this

I finally visited the people behind the longer operating **Gems Escorts**. They have just had a change of management, though the man behind the agency is the same as before. Things were quiet with the credit crunch but thankfully things were ticking over okay.

ground floor former shop beneath and has transformed it.

This left **Abigail's**, a parlour that had reopened after being closed for about eighteen months.

Exceptionally, it had closed a few months before the recent mass parlour closures in the city, because of some dispute with their landlord.

The dispute finally resolved, the parlour reopened in August of this year and so I was not altogether surprised when on arriving at the parlour on Thursday afternoon I found my old friend Gloria running things in her inimitable style.

We had a successful chat including sorting out all the basic details for the parlour and I was invited to stay and enjoy a session with Tiffany, a slim petite bru-
